

Important Notice Concerning the Availability of the Web site

The Office of the Pool Administration will be updating both the hardware and software of their Web site at www.hcrapools.org. In an effort to minimize the impact to our users, we will be upgrading our Web site during the weekend of February 19 thru February 21, 2010 so that the domain name can be transferred to a new physical location. During this time, access to the website will be intermittent. Please plan on the Web site being unavailable during this time.

Beginning on the morning of Monday, February 22, 2010, the Web site will be fully operational. There should be no changes in how you access the Web site. If you have any questions, or concerns regarding this message, please contact us at webpools@hcrapools.org or by phone at (315) 671-3800.
