STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

TRANSFER OF RESOURCES \*

1902(f) and 1917  
of the Act

The agency provides for the denial of eligibility by reason of disposal of resources for less than fair market value.

- A. Except as noted below, the criteria for determining the period of ineligibility are the same as criteria specified in section 1613(c) of the Social Security Act (Act).

**1. Transfer of resources other than the home of an individual who is an inpatient in a medical institution.**

- a. [X] The agency uses a procedure which provides for a total period of ineligibility greater than 24 months for individuals who have transferred resources for less than fair market value when the uncompensated value of disposed of resources exceeds \$12,000. This period bears a reasonable relationship to the uncompensated value of the transfer. The computation of the period and the reasonable relationship of this period to the uncompensated value is described as follows:

Where the UCV is more than \$12,000, the time limit for consideration of the UCV amount toward resources shall be extended for one month for each additional \$2,000 in excess of the \$12,000.

The amount of the UCV may be diminished by an amount equal to the amount of medical expenses incurred in this period.

\* The State is in compliance with the transfer of assets provision of the MCCA as amended by the Family Support

- b. ☒ The period of ineligibility is less than 24 months, as specified below:

Where the UCV is \$12,000 or less the UCV amount must be counted towards the resource limit for a period of 24 months from the date of the transfer, or until the amount of medical expenses equals the UCV.

- c. ☐ The agency has provisions for waiver of denial of eligibility in any instance where the State determines that a denial would work an undue hardship.

**2. Transfer of the home of an individual who is an inpatient in a medical institution.**

[X] A period of ineligibility applies to inpatients in an SNF, ICF or other medical institution as permitted under section 1917(c)(2)(B)(i).

- a. Subject to the exceptions on page 2 of this supplement, an individual is ineligible for 24 months after the date on which he disposed of the home. However, if the uncompensated value of the home is less than the average amount payable under this plan for 24 months of care in an SNF, the period of ineligibility is a shorter time, bearing a reasonable relationship (based on the average amount payable under this plan as medical assistance for care in an SNF) to the uncompensated value of the home as follows:
